

1.0 Health & Safety Policy Statement

General statement in accordance with the Health & Safety at Work etc Act 1974, Section 3

It is the policy of **Technicus Consulting Ltd** (“the Company”) that our operations are executed at all times in such a way as to ensure, so far as is reasonably practicable, the health, safety and welfare of all our employees, contractors and all others who could be affected by our activities.

The Company’s key activity is design work and site surveying for structural, civil and offshore engineering and building surveying, on behalf of commercial clients and private individuals. Work is undertaken on site; at our Offices at 170B High Street, Gorleston, Great Yarmouth; at the Client’s offices; or at contractor’s own premises. To this end it is the Company’s policy:

- To promote a positive Safety Culture throughout the Company and our activities
- To plan, organise and control our work activities to ensure health and safety risks arising from, and in connection with, our work activities are removed or controlled
- To consult employees on matters affecting their health and safety
- To provide information, instruction and supervision for employees
- To actively prevent accidents and work related ill health
- To ensure proper welfare facilities and arrangements are in place
- To undertake Risk Assessments
- To review and revise this policy on an annual basis
